## ACC final lot review request

Please fill out the following sections to ensure your property is in compliance with the ACC requirements. Once you have filled this out and set a date with the ACC committee, they will come to your lot for a final review of the property. At which time the ACC committee will instruct the board if you have met the requirements and will return your deposit.

Please list 3 days and times within 30 days of your request to have the ACC committee review your lot.
